Use this task to update your direct deposit information in UCPath.

**Dashboard Navigation:**
Income and Taxes > Direct Deposit

**Menu Navigation:**
Employee Actions > Income and Taxes > Direct Deposit

**Note:** This example uses sample images as seen on a computer. Sample images appear differently on a tablet or smartphone, but the steps remain the same.

| 1.   | Before you change your direct deposit information, you must validate your identity. UCPath randomly displays one of the security questions set up on your profile. Click in the **Security Question** field.  
For this example click in the **Who is your childhood best friend?** field. |
| 2.   | Enter the desired information into the **Security Question** field.  
For this example, enter **Molly**. |
| 3.   | Your answer appears as a series of dots.  
Click the **Submit** button. |
Step 4.

If you answer the question correctly, UCPath displays the **Direct Deposit** page, and you can make your changes.

If you answer incorrectly, an error message appears. You have three attempts to answer this question correctly. After three incorrect answers, UCPath displays the **Security Questions Setup** page. You must provide your date of birth and the last four digits of your Social Security number to validate your identity and then update your security questions and answers.
### Step 5
The **Direct Deposit** page displays all of your direct deposits.

In this example, change the bank account on your direct deposit checking account.

Click the **Direct Deposit Account** link.

![Checking Account](image)

Account: 0870843542 Routing: 121000358 | Balance of Net Pay

### Step 6
To help locate the **Routing Number** and **Account Number** on your check, click the **View Check Example** link.

> View Check Example
### Step 7

After reviewing the check example, click the **View Check Example** link to close the example.

<td>Use the <strong>Routing Number</strong> field to update the bank routing number details. Click the <strong>Routing Number</strong> button.</td>
</tr>
</tbody>
</table>
Step | Action
--- | ---
9. | A list of known routing numbers is available in the system. Click in the **begins with** field.
10. | Enter the desired information into the **begins with** field. For this example, enter part of the routing number, enter **121042**.
11. | Click the **Look Up** button.
### Step 12
In this example, find the Wells Fargo Bank.

Click the **121042882** button.

![Image of the UCPath Direct Deposit Change page showing the Account Number field, where the account number is highlighted.](image)

### Step 13
Click in the **Account Number** field.

**0870843542**

### Step 14
Press **Delete**.

### Step 15
Enter the new account number in the **Account Number** field. For this example, enter **9871234654**.

### Step 16
Click in the **Retype Account Number** field.

### Step 17
Re-enter your new account number in the **Retype Account Number** field. For this example, enter **9871234654**.

### Step 18
If you are changing your account type, click the button to the right of the **Account Type** field and select a different account type.

In this example, the account type is not changing.

### Step 19
Click the button to the right of the **Deposit Type** field.

</thead>
</table>
| 20.  | Select one of the following options:  

**Amount**: Use this option if you want to specify a fixed dollar amount to be deposited to the bank account.  

**Balance of Net Pay**: Use this option if you want the remaining net pay amount (after all other deposit types have been distributed) deposited to the bank account.  

**Percent**: Use this option if you want to specify a percentage of pay to be deposited to the bank account.  

For this example, click the *Balance of Net Pay* list item. |
| 21.  | If you select the *Deposit Type* of either *Amount* or *Percent*, you must enter the appropriate value in the *Amount* or *Percent* field. |
| 22.  | The *Deposit Order* field indicates the order in which pay is distributed to bank accounts if you have multiple direct deposit accounts. The lower the number, the higher the priority. Balance of net pay accounts should have the highest deposit order of 999. |
