4. **Step** Action

   If you answer the question correctly, UCPATH displays the Personal Information Summary page, and you can make your changes.

   If you answer incorrectly, an error message appears. You have three attempts to answer this question correctly. After three incorrect answers, UCPATH displays the Security Questions Setup page. You must provide your date of birth and the last four digits of your Social Security number to validate your identity and then update your security questions and answers.
